Term 2 Week 2

Thursday 9 May 2019

From the Principal

Dear Parents

Welcome back to Term 2. We look forward to working with you in partnership to achieve the best possible learning outcomes for your children.

Mother's Day Liturgy

Our Mother's Day Liturgy will take place in the church on Friday 10th May commencing at 10:15am. The P&F Committee have organised a Mother's Day Breakfast commencing at 7:30am. All mothers and grandmothers are most welcome to attend. Classrooms will be open for you to visit from 9:00am to 10:00am. We wish all mothers a very happy Mother's Day on Sunday 12th May.

Parent / Teacher / Student conferences

Parent / Teacher / Student conferences will be held next week.

Parent / Teacher / Student conferences open the eyes of students to their own learning and help them take personal responsibility for their progress.

In preparing for a student-led conference, students see how their strengths, weaknesses and behaviour can affect them as learners thus allowing them to take more responsibility for and control over their achievement in school. These conferences are an experience that can improve the communication patterns of both students and parents. Students learn how to reflect on their own learning, evaluate their progress and communicate this information to their parents. Parents learn how to listen to their child, how to encourage growth and how to best help their child with specific problems.

Parent / Teacher / Student conferences can solidify the home-school partnership approach to student success.

Reflection

When I look around my classroom I couldn't tell you who crawled first, who walked before one or spoke in sentences by 15 months. I can't tell you if their parents breastfed or bottle fed. I don't know if they toilet trained at 18 months or 4 years old. I don't know if their mum ever left them to cry it out for a few minutes or if they strapped them to their bodies 24/7.

You know what I can tell when I look at my kids? I can tell which families value kindness and manners in their homes. I can tell when a child feels loved and secure at home. I know who has pizza and movie Friday nights and which mum reads in different voices at bedtime. I see how kids handle scary situations like thunderstorms. I can see who has a solid routine at home and who has chores and responsibilities. I can hear how you speak to your children by how they speak to others. When I look at my little friends I don't see their milestones, I see who they are: their heart, their actions, their inner voice, their struggles and triumphs, and I see you; and all the love you pour into them.

We are always supposed to talk about testing and benchmarks and data during parent teacher conferences and I had a mum last time look at me and say "I don't worry about all the reading and maths, she will get there. I want to know how is she as a person? Is she kind? Does she include others?"

A Mother's Day Prayer

I thank you, Creator of us all, for my mother. I thank you that she gave me life and nurtured me all those years. She gave me my faith, helping me to know you and to know Jesus and his ways. She taught me how to love and how to sacrifice for others. She taught me that it was okay to cry and that I should always tell the truth. Bless her with the graces she needs and which you want to give her today. Help her to feel precious in your eyes today and to know that I love her. Give her strength and courage, compassion and peace.

Bless her this day with your love.

Wishing you every blessing for the week ahead.

The cost of the programme is \$20 per child.

Social Skill Tips for Parents

Term 2 Week 3: The Circle concept

- The 'Circle concept' teaches a child about personal space and appropriate behaviour with others, depending on what their relationship is to the child.

Week 4: Sign language. Thumbs up, thumbs down.

- We all have the right to feel safe all the time.
- Sign language:- Thumbs up: I feel safe.
- Thumbs down: I don't feel safe.
- This can be used in the classroom, playground and at home.

Prayers

We also pray for those in our community who may be unwell or suffering at the moment.

We ask this through Christ Our Lord, Amen.

NAPLAN

NAPLAN assesses literacy and numeracy – important skills that each child needs to succeed in school and life. The NAPLAN tests are designed to help us make sure students are on track with their literacy and numeracy development. Students in Years 3, 5, 7 and 9 participate in NAPLAN tests for reading, writing, conventions of language (spelling, grammar and punctuation) and numeracy.

Between 14-16 May 2019 our school will participate in NAPLAN Online. Students do not need to be computer experts to take the NAPLAN test online. Making sure students have computer skills is part of our school curriculum, and our teachers will ensure your child is familiar with the online format. To see the types of questions and interactive features of NAPLAN Online, visit the public demonstration site: <http://www.nap.edu.au/online-assessment/public-demonstration-site>

If you have any questions about NAPLAN Online, please contact your child’s teacher.

ST MICHAEL'S BAULKHAM HILLS - ALLERGY - NUT AWARENESS

Throughout our school we have a number of children with **life threatening allergies** (Anaphylaxis) to various forms of food, latex, dust, cats and insect stings. This is a serious matter, one that our school must address.

Some children have allergies that are so severe that smells or touch could trigger a reaction.

In order to do this we appeal to all parents to assist us in caring for these children by considering the type of foods you pack for your own child's recess and lunch.

Our aim is to eliminate peanut and tree nut products brought into the school. These foods are extremely dangerous to our children with allergies and cause 50% of food allergic deaths.

Common foods that trigger an allergic reaction are listed below and we ask you to be 'nut aware' and refrain from sending them to school and to seek suitable alternatives.

FOOD TYPE	EXAMPLES
Peanuts	Any kind of peanut
Tree nuts	Hazelnuts, almonds, cashews, pecans, walnuts, macadamia – any kind of nuts
Peanut butter	Any kind of peanut butter
Sesame seeds	
Nutella	Any brand
Biscuits containing or topped with nuts	Particularly chocolate biscuits
Cakes or slices containing nuts	
Snack packs containing nuts	Dried fruit + nut mixes, snack-a-bouts, Dunkaroos
Chocolates containing nuts	Picnics, Snickers, Mars Bars (almond), Nut Breaks, Ferrero Rocher, Fruit and Nut, Praline based chocolates – Guylian, Marble Blocks
Chocolate lollies containing nuts	Peanut M&Ms
Marzipan and nougat	
Breakfast cereals containing nuts	Crunchy Nut or Honey Nut Cornflakes, Muesli, Nutri Grain, Just Right etc
Muesli Bars and Snack Bars containing nuts	
Yoghurt with nut mixer packs	Ski Double Up
Confectionary items	Lolly Gobble Bliss Bombs, Rocky Road
"Health Food" confectionary bars containing nuts	
Foods containing satay	Thai, Malaysian, Indonesian meals
Some moisturisers	

The Canteen does not sell any of these products.

In the case of a child bringing a nut product to school, teachers will bring the matter to the attention of parents.

There are many foods that DO NOT contain peanuts or nuts in their ingredients list, but the food package has the statement. "May contain traces of dairy, nut or seed". This food may be brought to school and consumed only by non-allergic children.

Due to safety and concerns, we discourage children from sharing food and drink. We would also appreciate parents speaking to their children regarding this matter. Your child's diet at home need not change.

Below is a list of foods that are safe for you to choose from. We're sure you can think of many others.

- Fruit and vegetables
- Dried fruits, Fruit snack packs
- Vegemite, jam, honey, cheese spreads
- Parker's Pretzels, Rice crackers
- Chips, Popcorn
- Plain biscuits – sweet or savoury – without nuts
- Chocolate biscuits – without nuts
- Plain Cornflakes, Rice Bubbles, Weetbix, etc – without nuts
- Fruit based muesli bars and snack bars – without nuts
- Yoghurt – without nuts mixes
- Lollies and confectionary items – marshmallow, spearmint leaves, jelly babies, snakes, raspberries, etc without nuts.

Basically we ask you not to send food to school with your child that contains a nut or nut product listed in ingredients.

We thank you for helping us to provide a safe environment for all children at St Michael's.

NOTES TO SCHOOL OFFICE

When sending in notes to the office, please place in an envelope and mark on the envelope the child's name and a description of what is in the envelope, particularly if money is included.
