Term 3 Week 2

Thursday 1 August 2019

## *From the Principal*

Dear Parents

### *Grandparents' Day Thank you*

Thank you to all of our families who supported our Grandparents' Day celebration. The donation of food for our morning tea was superb.

Thank you to our wonderful P&F and their support team for organising the morning tea and for giving their time to make this another successful school event. It was really difficult to count but we estimate that we had at least 650 visitors to our school.

Finally thank you to our wonderful grandparents who were celebrated on this day.

## *Confirmation*

Congratulations to all the students who will have received the Sacrament of Confirmation this week. The Sacrament of Confirmation strengthens the baptized and obliges them more firmly to be witnesses of Christ by word and action. Through the Sacrament of Confirmation we receive seven gifts of the Holy Spirit:

- **Wisdom**—right sense of God in our lives—first things first.
- **Understanding**—helps in understanding our Faith.
- **Counsel**—helps us to choose the right human judgment.
- **Fortitude**—helps us to persevere.
- **Knowledge**—helps us to know how to choose what is helpful and reject what is harmful.
- **Piety**—Love for God, confidence in Him, reverence to Him.
- **Fear of the Lord**—knowing that God is a just Judge—yes, He is loving and merciful but He is also just.

## *Reflection*

God's partnership with us comes to the surface every now and then and one such occasion is when our children receive the Sacrament of Confirmation. Prior to the first Confirmation, Jesus' disciples were in no-man's-land. Jesus had gone from them and there was a void in their lives. For days after the Ascension they gathered together waiting for something to happen, as Jesus said it would. They had ten days to go over the past three years when Jesus had been the centre of their lives; ten days to reassess their own lives and be supportive of one another.

Our children, through our example and the preparation they receive at school, and in the parish also have time to consider their lives, to become aware of the seven special gifts of the Spirit and the practise of the fruits of the Spirit: "love, joy, peace, patience, kindness, generosity, faithfulness, gentleness and self-control." (*Galatians 5:22-23*)

When the disciples, on the first Pentecost day, received the Holy Spirit into their lives, they were changed forever and they in turn changed the lives of thousands of other people. Likewise, our children, when they receive the Holy Spirit in Confirmation, will receive the potential for change. God is now with them, with the fullness of His presence, as they move ahead in their own individual lives. God will always be there, when perhaps we are not, with a love patient and everlasting.

*Spirit of God within us we ask you to help identify the gifts you have given to each of us. Help us to celebrate these gifts and to make positive use of them in our daily activities. Amen.*

*Wishing you every blessing for the week ahead.*

*Danuta Maka*

## ACARA Collection Student Background Data Notice

The Australian Curriculum, Assessment and Reporting Authority (ACARA) collects data from schools to determine the Index of Community Socio-educational Advantage (ICSEA). CEDP is currently working to provide relevant details to the Catholic Education Commission of NSW. Data collected is de-identified of personal information.

Parents and caregivers must advise their school if they don't want their child's data included in this report by 30 August 2019

Copies of Catholic Education Diocese of Parramatta (CEDP) Standard Collection Notice and Privacy Policy can be obtained from the school office.

## Social Skill Tips for Parents

### Week 3: Accept being told "No"

- There is a time a place for everything and the significant. Accept "No" and don't keep pestering.

### Week 4: Be responsible: Accept the consequences of your behaviour

- Accept when you have done the wrong thing. Apologise and accept that there are consequences that go with a wrong choice.

### Week 5: Playing fairly

- A person who plays fairly and gets on with the game allows others to enjoy the game. People who play fairly get a reputation as good people to be around.

## Prayers

We also pray for those in our community who may be unwell or suffering at the moment.

We ask this through Christ Our Lord, Amen.

## 2020 Enrolments

### All positions for Kindergarten 2020 have been finalised.

We advise that we now have a waiting list for Kindergarten 2020 families.

### Enrolments open for Years 1-6, 2020

If you have family or friends who would like their child to come to St Michael's, please ask them to contact us.

All enquiries regarding enrolments, please the school office on 9865 1600.

A day here or there doesn't seem like much but absences add up 2 days a month adds up to 4 weeks a year / 20 days a year which is over one year of lost learning.

### *Year 5 Red Mr Moxon*

#### **What important learning have 5M Red been doing recently?**

**Blake** - I think learning about bushfires was the most important thing because if I did not learn about this, I would not know all the things to do during a bushfire.

**Christiane** - The most important thing I learnt recently was the Gold Rush. I think it was important because I didn't know anything about it. It also made me think about how the Gold rush participants lived on the Gold fields during that specific time.

**Olivia** - Learning about the bushfires and using the Spheros. This was important in case I'm ever in a bushfire, I have used a Sphero before to help me find ways to get to different rooms and out of the house safely.

**Joey** - Seven gifts of the Holy Spirit and why they are important to my Confirmation.

**Reana** - The most important learning I did was about Bushfires. Bushfire learning was important to me because I now understand the impacts of Bushfires and if there was to be a bushfire I would know what to do.

**Andrew** - I think learning about Pentecost was the most important thing because I learned about why the Holy Spirit is important to me.

**Anthony** - I think the most important learning I have done recently was all of the maths problems. I think that because I am aiming to be an engineer when I am older and to be an engineer you need to do math and science.

**Isabel** - I enjoyed learning about bushfires. It was important because if we ever moved to a place with a lot of trees and bushes (or our friend did) we would know how to prevent a bushfire from attacking our home.

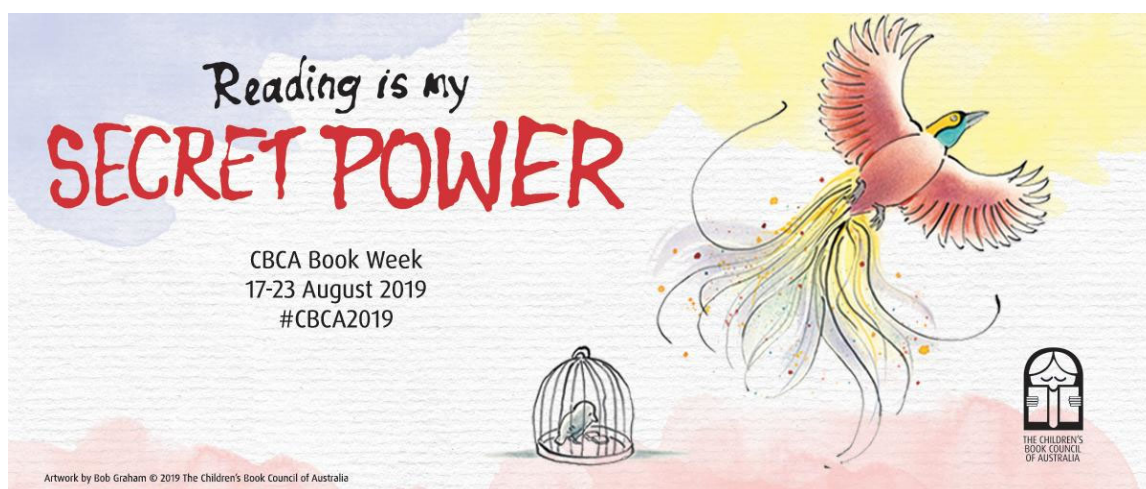

**Shanelle** - The most important learning I did recently was learning about bushfires. This was my most important learning because I learned the positive and negative impacts and we also did a piece of art we used oil pastels and charcoal to make it perfect!!

**Serena** - Learning about Mining in Australia was important because I discovered the effects of mining and how it shaped our country. For example, Goulburn became famous for copper, Derby was famous for diamonds and Ballarat was famous for gold.

**Anisha** - The most important learning I did was sphero coding. It is important to me because in the future most things will be on the internet.

## ST MICHAEL'S BAULKHAM HILLS - ALLERGY - NUT AWARENESS

Throughout our school we have a number of children with **life threatening allergies** (Anaphylaxis) to various forms of food, latex, dust, cats and insect stings. This is a serious matter, one that our school must address.

**Some children have allergies that are so severe that smells or touch could trigger a reaction.**

In order to do this we appeal to all parents to assist us in caring for these children by considering the type of foods you pack for your own child's recess and lunch.

Our aim is to eliminate peanut and tree nut products brought into the school. These foods are extremely dangerous to our children with allergies and cause 50% of food allergic deaths.

**Common foods that trigger an allergic reaction are listed below and we ask you to be 'nut aware' and refrain from sending them to school and to seek suitable alternatives.**

FOOD TYPE	EXAMPLES
Peanuts	Any kind of peanut
Tree nuts	Hazelnuts, almonds, cashews, pecans, walnuts, macadamia – any kind of nuts
Peanut butter	Any kind of peanut butter
Sesame seeds	
Nutella	Any brand
Biscuits containing or topped with nuts	Particularly chocolate biscuits
Cakes or slices containing nuts	
Snack packs containing nuts	Dried fruit + nut mixes, snack-a-bouts, Dunkaroos
Chocolates containing nuts	Picnics, Snickers, Mars Bars (almond), Nut Breaks, Ferrero Rocher, Fruit and Nut, Praline based chocolates – Guylian, Marble Blocks
Chocolate lollies containing nuts	Peanut M&Ms
Marzipan and nougat	
Breakfast cereals containing nuts	Crunchy Nut or Honey Nut Cornflakes, Muesli, Nutri Grain, Just Right etc
Muesli Bars and Snack Bars containing nuts	
Yoghurt with nut mixer packs	Ski Double Up
Confectionary items	Lolly Gobble Bliss Bombs, Rocky Road
"Health Food" confectionary bars containing nuts	
Foods containing satay	Thai, Malaysian, Indonesian meals
Some moisturisers	

**The Canteen does not sell any of these products.**

In the case of a child bringing a nut product to school, teachers will bring the matter to the attention of parents.

There are many foods that DO NOT contain peanuts or nuts in their ingredients list, but the food package has the statement. "May contain traces of dairy, nut or seed". This food may be brought to school and consumed only by non-allergic children.

Due to safety and concerns, we discourage children from sharing food and drink. We would also appreciate parents speaking to their children regarding this matter. Your child's diet at home need not change.

Below is a list of foods that are safe for you to choose from. We're sure you can think of many others.

- Fruit and vegetables
- Dried fruits, Fruit snack packs
- Vegemite, jam, honey, cheese spreads
- Parker's Pretzels, Rice crackers
- Chips, Popcorn
- Plain biscuits – sweet or savoury – without nuts
- Chocolate biscuits – without nuts
- Plain Cornflakes, Rice Bubbles, Weetbix, etc – without nuts
- Fruit based muesli bars and snack bars – without nuts
- Yoghurt – without nuts mixes
- Lollies and confectionary items – marshmallow, spearmint leaves, jelly babies, snakes, raspberries, etc without nuts.

**Basically we ask you not to send food to school with your child that contains a nut or nut product listed in ingredients.**

**We thank you for helping us to provide a safe environment for all children at St Michael's.**
