Term 1 Week 6

Thursday 3 March 2017

From the Principal

Dear Parents

Catholic Schools Week - 5 March until 11 March

Next week we celebrate Catholic Schools Week and Wellbeing week. We begin our celebrations on **Monday 6 March with Open Classrooms from 9.00 am—10.00 am followed by a Whole School Liturgy in the Parish Church at 10.15 am.** We invite you to join us.

During Catholic Schools Week we are offering parents the opportunity to attend two workshops, one on Literacy and one on Numeracy. Our goal is to provide our families with some practical tips on how to support their children with Literacy and Numeracy. Parents will spend half an hour in each learning space and see the learning in action. These are two professional learning opportunities for parents. They are not class visits or chats with your child's teacher. We hope you will be able to accept our invitation and join us for the parent sessions as listed below:

Tuesday 7 March	Year 1 Literacy	2.00-2.30 pm	1 Blue & 1 Green classrooms
	Year 1 Numeracy	2.30-3.00 pm	1 Red & 1 Yellow classrooms
	Year 2 Literacy	2.00-2.30 pm	2 Blue & 2 Yellow classrooms
	Year 2 Numeracy	2.30-3.00 pm	2 Green & 2 Red classrooms

	Kindergarten Numeracy	9.40-10.00 am	K Blue & K Yellow classrooms

The theme for Catholic Schools Week 2017 is "**Learning connected**" building on Pope Francis' statement that "Everything is connected." This sense of connection calls for shared responsibility for the care of nature and our human relationships in a changing world.

Catholic schools week is about strengthening relationships between those who have a stake in our schools—students, staff, families, priests, parishioners and members of the wider community, by showcasing what happens in classrooms every day. It is for this reason that I would like to extend an invitation to you and your family to join us at St Michael's on Monday and then for one or more of the quick tip sessions.

Our school has a supportive community of teachers, parents, carers, P&F, clergy, support staff and parishioners who work together to focus on giving our students the best education possible encouraging success, promoting discipline, supporting creativity and instilling compassion.

I would like to take this opportunity to thank you for all your support of St Michael's and I look forward to celebrating Catholic Schools Week with you.

"Merciful God, You claimed us for Christ in the waters of baptism. Make us eager to follow Your Son, Jesus as we walk these days of Lent. Amen"

Wishing you every blessing for the week ahead.

Lent

Yesterday, with the ceremony of the ashes, the Church began the season of Lent—a forty day period in which we take stock of our lives in order to prepare ourselves for the high point of the liturgical year—the celebrations of Holy Week and Easter.

Without maintenance a car would soon become undrivable and a home would fall down around our ears. Without the kind of loving maintenance that you, Mums and Dads, and your children contribute; a family, too, would stop functioning well. If we do not tend a garden, flowers die and weeds take over. So it is with our lives. We may be flying along with the wind in our sails, or we may be just drifting along going nowhere in particular. Either way, it is important that we learn to head in a direction that is life-giving.

The aim of Lent is to open our minds and hearts to God's Spirit who will show us Jesus and also show us the sin in our lives which is stopping our movement towards him, and causing us to be stuck in the spiritual doldrums or, worse still, is driving us onto a reef where we are breaking up.

Lent is a serious time. We are encouraged, with our families, to take this time to think about how much the gospel means to us and how well we are living up to God's law of love. We watch and pray as we prepare for Easter.

Education learning spaces at St Michael's

It has come to my attention that there is a petition to have occupational therapy and other services provided at the school. Please be aware that the school buildings are meant to be for learning and the children are meant to be involved in their learning for the whole day.

The spaces that we have are all required by our class room teachers and our students to enable them to achieve their learning goals and for those students who are at risk to be able to access the support of our Mathematics specialist teachers, Reading Recovery and Literacy Support teachers. The learning spaces are also used for our gifted and talent students who require the opportunity to be challenged and work independently.

Our school programmes must always be our priority. We cannot provide rooms for private therapists to use to work with your children and run their business. We understand that these services are beneficial to your children but these sessions should be accessed after school or on a Saturday so as not to take your child away from their learning during the school day. The government expects that children are at school every day for a full day.

We are trying to help each student work both in a collaborative way and independently, so that they have a chance to develop their skills. Our specialist teachers work with small groups, and these specialist programmes for numeracy and literacy run throughout the whole year. It would be an injustice to move our own students out of the spaces to accommodate Occupational or Speech Therapists. We thank you for your support and understanding.

Mrs Danuta Maka, Principal

Project Compassion

This term as part of our school's Lenten preparation, we will be hosting the annual Caritas Australia Project compassion appeal. The aim of this fundraiser is to support our vulnerable neighbours worldwide. The funds collected will be utilised to create safe, resilient communities that will be enriched and transformed. We thank you in advance for the support of this worthy appeal.

Mr David Ison, Religious Education Coordinator

Afternoon pick up—Slow & Go

There are serious concerns about the behaviour of some of our parents driving along Chapel Lane to pick up their children. Some of our neighbours have complained that parents are not leaving driveways free for cars to enter and exit their homes.

Please be respectful and considerate of our neighbours. As you drive up Chapel Lane, please make sure that you are conscious that there may be a person waiting to turn into their driveway. It is important that we show respect and model appropriate behaviour to our children.

Car park

Please do not park on the roundabout in the car park or on the yellow pedestrian lines. Parking in these areas puts our children at risk and families in danger and causes congestion.

The **disabled car space** is for parents who have disabled children in the school and who have the permission of the Principal to use this space. If you are parking in this space without permission you are causing considerable distress to the children who need to use this space.

There is also **no parking in front of the gates** at the bottom of the car park or beside the **two admin spaces**. Two cars parked in these spaces have suffered damage to their vehicles from parents trying to squeeze their cars in or moving out of this area. We would ask that any witnesses to these incidents please contact the office on 9639 0518.

Canteen

During lent the Canteen will sell Sushi on Wednesday and Friday. Friday's Sushi will be vegetarian and tuna. All Sushi orders from now on are to be done online the day before (on Tuesday and Thursday) so that enough Sushi is delivered to the school.

This Friday, I bid au revoir to St Michael's and I would like to say what a pleasure it has been setting up the canteen. The lovely Gabbi, along with Kylie and Jane, will be looking after all your beautiful children from next week.

Sushi Day has been a fantastic success. Just a reminder that Sushi needs to be ordered by Tuesday. Best way to do this and all the children's Recess or Lunch orders is to go On line. It is quick and worry free. You do not have to worry about children losing money or their orders on the way to school.

If your child orders a Slushy or Ice Block they have to bring their lunch bag to the front of the Canteen and collect it as we cannot put Slushies in the lunch baskets.

We do have hot food and sandwiches available at Recess and Lunch along with delicious Salads, Fruit, Carrot/Celery & Hummus boxes. Also don't forget our Red Day on the last Monday of the Term.

Thank you. **Nina, Munch Canteens**

Star Corner

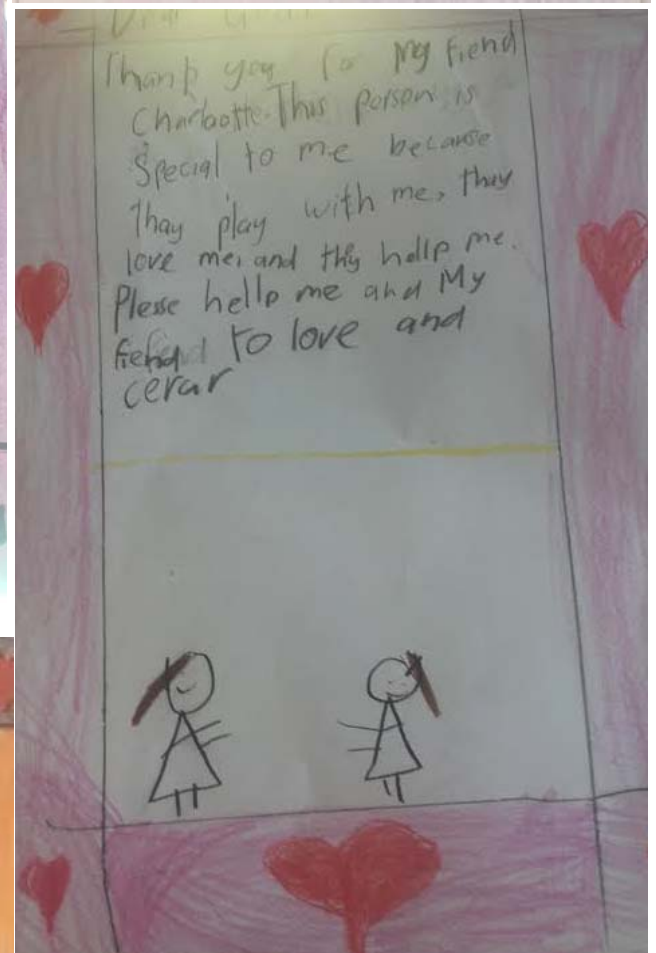

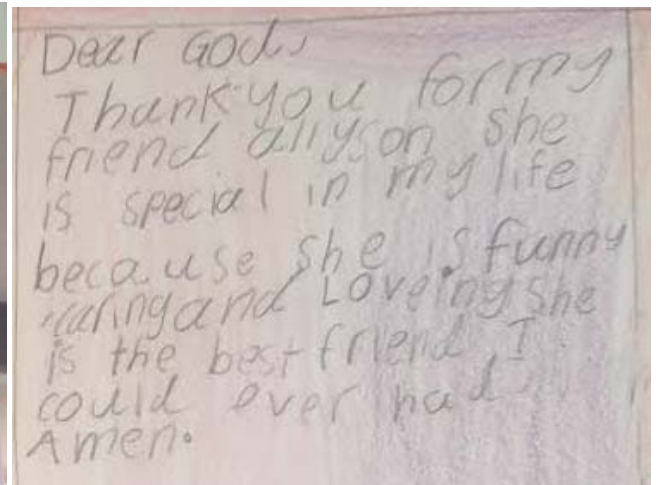

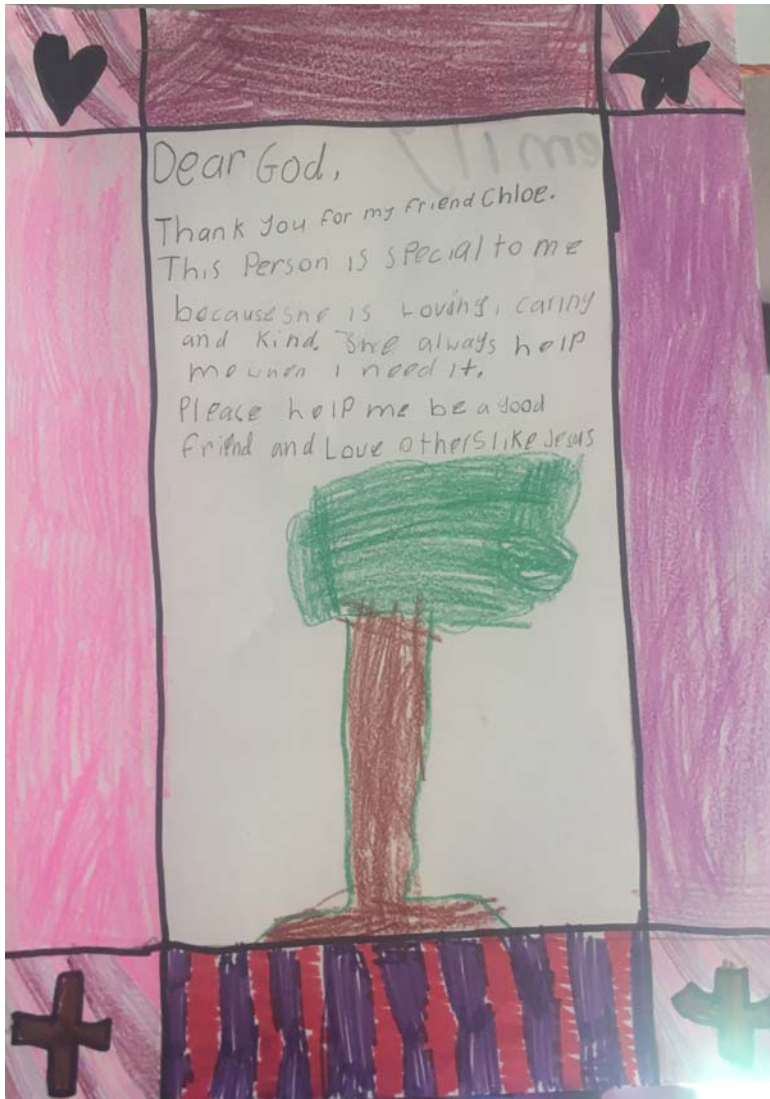

Congratulations to Kayla Morris, Emily Knez and Kaia D'Souze who represented the Hills Bulls U12 Girls in the NSW Oztag Junior State Cup held in Coffs Harbour recently. They were part of the team that were successful in becoming state champions. Well done!
