Issue 3

Term 1 Week 6

Thursday 7 March 2019

## From the Principal

Dear Parents

### Catholic Schools Week

Thank you to our parents who attended our Catholic Schools Week events on Monday 4 March. As a way to mark Catholic Schools Week a student from each class was asked to share what they like about St Michael's school. These reflections were shared at our assembly last Monday. Here is a sample of some of what the students had to say (the rest will be posted on the school website shortly):

*I like St Michael's because in Year 1 we work really hard and that makes the day go quickly. Zachary C*

*St Michael's to me, feels like home, somewhere, I belong. The many kind students and teachers make me feel really special, like more than just an average girl in another average school. But St Michael's is really welcoming, and belonging, and accepts me. Emily K*

*I think that the best thing about St Michael's is that I can share my learning with others. Helping others makes me happy and that's why I like this school. Bianca D*

*St Michael's—a school that will wrap you up into the arms of an angel guiding you from Kindy to Year 6. Holly*

*Why I love St Michael's is because the teachers teach me how to follow in the footsteps of Jesus. They show me this by teaching me with love and kindness. Our school motto is "Knowledge, Faith and Love". Knowledge—the wonderful way our teachers teach us. Faith—we are a Catholic school. Love—We love God, we love how the teachers and students show compassion to one another and love for the care we show each other. Elizabeth S*

*I like St Michael's because we learn lots of different things. Jonah V*

*St Michael's is a treasure chest, full of gold bars. Our teachers are like diving instructors helping us dive deep within ourselves and showing us the way to discover new things. Samuel K*

It was wonderful to see so many families being able to support us in our celebration of learning. The teachers and students really enjoyed being able to showcase their learning.

### Kindergarten Teddy Bear's Picnic

Thank you to our Year 6 student leaders who made our Teddy Bear's Picnic such a fun day for our new Kindergarten children. The picnic was well attended and the P&F did a splendid job providing the sausage sizzle. Thank you to the volunteers who helped on the day. Another successful community building event.

### 2020 Kindergarten enrolments

St Michael's has had its first open day for Kindergarten enrolments 2020. The morning was very well attended and once again our Year 6 leaders made us all so proud with the way they were able to lead groups of parents around the school. Many of our visiting families commented on how informed and articulate our student leaders were in telling them about St Michael's school.

**Our next 2020 Kindergarten Open Morning will be on Tuesday 9 April at 9.30 am.**

Interviews for new and exiting families will be arranged as soon as Enrolment applications are received.

### Ash Wednesday

Yesterday was Ash Wednesday which marks the start of Lent. Lent is the period of 40 days which comes before Easter in the Christian calendar. The Lenten season is a time when we, as Catholics, observe a period of fasting, repentance, moderation, self-denial and spiritual discipline. The purpose is to set aside time for reflection on Jesus Christ—his suffering and his sacrifice, his life, death, burial and resurrection.

### Prayer

*O God, You sent us Christ to show us the way to you.  
Trusting in your love, we call out to you to assist us in our ministry.  
Help us spread your Word to all we meet and lift others with the Good News.  
Through Christ Our Lord, Amen.*

*Wishing you every blessing for the week ahead.*

*Damita Maka*

A reminder that Session 2 - Parents and Children - will take place this coming Tuesday 12 and Wednesday 13 March at 7.30 pm in the church. For all enquires please contact the parish office on 9639 0598.

#### Project Compassion

The theme for Project Compassion 2019 is based around Hope and giving 100% in the name of hope. It is great to see students in each classroom generously donating money towards this social justice action appeal.

This first week of Lent, we will hear the story of twelve year old Thandolwayo. Every morning she would walk seven kilometres and risked being attacked by crocodiles as she collected contaminated water for her family. Thandolwayo would then go to school feeling exhausted.

*"It looked like she would never realise her hope of finishing her education and becoming a nurse, until a Caritas Australia supported project created access to clean water helping Thandolwayo to stay at school and achieve a future full of hope."*

During each week of Lent, the children will be given the opportunity to reflect on the positive impact the donated funds are having on the lives of different people in poverty.

#### The Parish of Baulkham Hills Stations of the Cross – Good Friday 19 April

We are asking for expressions of interest for children in Years 2-6 who would like to participate in the St Michael's Stations of the Cross Play on Good Friday 19 April.

This year St Michael's will be performing an exciting musical production called Shakespeare Rocks! This will coincide with Book Week and will be held in the evening of Monday 19 August and Tuesday 20 August. Selected students from Yrs 3-6 will be involved, and auditions are already underway to fill our acting and singing roles. The performance will include the school choir, and dance troupe as well as a group of about 50 actors. This is a very exciting opportunity for our students who love to perform. More details will be sent home later this term, with those students who have been selected for a part in the production.

### Ukuleles

This year we are purchasing a class set of ukuleles, which is very exciting. Years 4 and 5 students will be learning the ukulele in their music lessons from next term.

## News from 6K Blue—Mr Knight's class

In our science unit, Year 6 have been learning about how sudden geological changes and extreme weather events affect the Earth's surface? Children in 6K having been using technology to research various natural disasters and created a presentation to explain their findings. They will now be using the information they have gathered to create a system that minimises the effect and impact of a specific natural disaster to a town.

## Morning routine at St Michael's

In order for the children to develop their social skills, independence and confidence we ask that when you bring your child to the school playground that you give them a hug/kiss and leave the grounds as soon as possible.

### Morning supervision commences at 8.20 am.

This play time in the morning gives the children opportunity to socialise, make friends and play their ball games with each other. **Please give them this experience and build their confidence by leaving the grounds once you have said your goodbyes.** Please do not join in their ball games as some children are getting upset that their parent is not there / cannot join in.

For safety reasons, please say all your goodbyes to your children on the playground and do not go up the stairs with toddlers or assist your child in carrying their school bag.

We also request that parents do not go to classrooms without an appointment. If you need to speak with a teacher, please leave a message at the school office or send in via email. These messages are forwarded to teachers and they will get back to you as soon as they can.

We want all the children to feel St Michael's is a happy and safe place. These small steps in establishing routine can help us all build the children's independence.

We thank you for your understanding and support.

## Star Corner

Congratulations to Owen Bellomo and Xavier Saffy who participated in the Little Athletics Regional Championships at Blacktown Olympic Park recently. Prior to Christmas Owen Bellomo participated in the North West Metropolitan Zone Championships and successfully qualified for both the 1500 m and 800 m events at the Regional Championship. Owen competed well in both events. In the 1500 m he placed 9th out of 16 runners and 800 m he placed 12th out of 16 runners. Xavier Saffy also competed in the 1500 m event and placed 11th. It is a great achievement for both boys to qualify to compete at this level of competition. Well done!

## International Women's Day—Friday 8 March 2019

International Women's Day is celebrated around the world on 8 March.

The United Nations (UN) theme for International Women's Day 2019 is **More Powerful Together** and is a day to reflect on how far we have come and how far we still have to go to truly achieve gender equality.

**Australia's IWD 2019 theme**, recognises the important role we all play. It takes all of us, working in collaboration and across that which sometimes divides us, breaking down stereotypes and gendered roles to create a world where women and girls everywhere have equal rights and opportunities.

Right now is a great and important time in history to do everything possible to help forge a more gender-balanced world. Women have come a long way, yet there's still more to be achieved. Let's take a moment this Friday to celebrate women's achievements and this year tenaciously challenge bias whenever we see or hear it.

## National Day of Action Against Bullying and Violence—Friday 15 March 2019

Schools across Australia are being called to get involved and take action on the ninth National Day of Action against Bullying and Violence (NDA) on Friday 15 March.

The theme for the 2019 NDA is **Bullying. No Way! Take action every day.**

The NDA gives schools the chance to take action and empower young people to be part of the solution when addressing bullying in their school community. It provides an opportunity to focus on bullying and the big changes we can make to create safer communities for everyone.

St Michael's will join the thousands of Australian schools already part of the nationwide movement as an official NDA school and get ready to take action on Friday 15 March.

One of the biggest concerns is getting our response to bullying right and acting on any instance that we observe. It is very important that we are all operating on the same level regarding bullying. For this reason I have included the national definition of bullying below as well as some examples of what constitutes bullying as well as some non examples of bullying. Please read carefully.

### Definition of bullying:

The national definition of bullying for Australian Schools says:

Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.

Bullying can happen in person or online, via various digital platforms and devices and it can be obvious (overt) or hidden (covert). Bullying behaviour is repeated, or has the potential to be repeated, over time (for example, through sharing of digital records).

Bullying of any form or for any reasons can have immediate, medium and long-term effects on those involved, including bystanders. Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.

Behaviours that do not constitute bullying include:

- Mutual arguments and disagreements (where there is no power imbalance)
- Not liking someone or a single act of social rejection
- One-off acts of meanness or spite
- Isolated incidents of aggression, intimidation or violence.

However, these conflicts still need to be addressed and resolved.

The Federal Government has called for a National Day of Action Against Bullying and Violence on 15 March 2019 and has invited schools to register and participate in a variety of activities. St Michael's has registered. Please follow the link to see more about this import cause. <https://bullyingnoway.gov.au/NationalDay>

As part of our Positive Behaviour Support for Learning (PBS4L) focus for next week, our students will have specific lessons on:

- Using kind words and manners.
- Keeping hands and feet to ourselves.
